Please Duplicate and Use 1 Form per Team

This entry form and payment of \$500.00 made payable to Arizona Region is due in the Arizona Region office on or before March 1, 2012. **Late entries will not be accepted. Faxed forms will not be accepted.**

The Club Director of this team must initial each section to indicate they have read and understand the information in this box.

_____ Teams entering the Arizona Region National Club Qualifier (NCQ) must be committed to attending the Junior National Championships (JNC). Teams that are not committed to attending the JNC should not enter this tournament. If a team earns a bid at the NCQ and then pulls out of the JNC they will forfeit the JNC entry fee (\$900) to USA Volleyball (if it is past the entry deadline) or the Arizona Region (if the deadline has not passed) and be subject to sanctions imposed by USA Volleyball and/or the Arizona Region. Teams may only play in the NCQ with players that will be attending the JNC tournament with this team. If players drop from this team leaving it unable to attend after qualifying, sanctions may be imposed on the player(s), the coaches, the team and/or the club. Teams that forfeit matches or disqualify themselves in the NCQ to avoid finishing in a qualifying position are subject to sanction by the Arizona Region. The sanctions for all above may be financial and/or participatory and will carry over to the next season if needed.

_____ \$250 will be refunded to all teams participating in the NCQ if they complete the tournament as far as their team qualifies to participate, do not withdraw from the tournament after the entry deadline and, do not forfeit matches to avoid qualification or elimination. If the club has a balance due with the AZ Region the \$250 will be applied to the balance due first.

_____ The team that places first in each age division will receive the bid to the National Division of the Girls JNC. The team that places second in each age division will receive the bid to the American Division of the JNC. The team that finishes third is the alternate and is required to remain committed to attend the JNC until the reallocation bids have been filled and no Arizona teams may advance further. Any team that qualifies for the JNC in the Club or Open Division at a Jr National Qualifier at the same or higher level than qualified at the NCQ is required to give up the bid that they received at the AZ Region tournament to allow another team to fill the Arizona Region bid. Therefore, if a team receives the Arizona Region bid to either of the National or American Divisions and then later qualifies at a Jr National Qualifier in the same or higher level than qualified at the NCQ the AZ Region bid will fall to the third place team in their respective age group. The third place team will receive the bid to the American Division of the Girls JNC.

_____ For all Qualifying and Alternate teams the 2012 Junior National Volleyball Championships Entry must be completed in AES and the Entry Form and Fee submitted to the Arizona Region within 10 days of qualification.
