Arizona Region Volleyball
Jr Team Seeding Form
2012 Season

In order to properly seed the individual teams within our Region and Division, please list the names of your teams in the order of rank in your club *from highest to lowest by age groups listed*.
The percentages you select should be ranking your team against other club teams in the same age and tournament division not just the overall tournament division.

Please indicate whether a team is entered in the Club (C), Champion Club (H), or Open (O) Division.
Seed each team as follows: Top 5% Top 10% Top 25% Mid 25-50% Mid 50-75% Lowest 25%
