Spring, 2008

As the Club Director for \_\_\_\_\_, I fielded \_\_\_\_\_ teams this season which entitles me to \_\_\_\_\_ votes to distribute among the candidates in my zone. See enclosed list for the number of votes per club. My club is listed in the \_\_\_\_\_ zone.

Every Club Director in the Junior Division is allowed one vote for every three teams that were registered with their club last season. You may only vote for the candidates in your zone. If you are unsure of the zone you are in see the enclosed breakdown. Use the blank next to the candidate from your zone to indicate the number of votes you wish to give that candidate.
